Mass Transit Directions to Schlesinger Associates

MARTA

Atlanta's rail system, runs from the airport main terminal to Dunwoody in exactly 45 minutes. MARTA is the quickest way to and from our facility during peak traffic hours.

After exiting your airplane, follow the signs to Baggage Claim North or South. Enter the baggage claim area and turn right. Walk all the way down to the end of baggage claim and you will see the MARTA Station. The airport is also very well marked with MARTA information.

Once in the station, take the **North Springs Train** NOT the Doraville train. (If you find that you have mistakenly entered the Doraville train, take it to Lindbergh Station and you can transfer to a North Springs train at that point, approximate travel time is 30 min.) Take the North Springs train to the Dunwoody/Perimeter Mall Station. This is the third to last stop on MARTA. Once you exit the train, you can either call your hotel and have them send a shuttle for you or take one of the taxis waiting outside the station.

If you choose to walk: Turn right out of the station (away from the mall). Walk down ½ block and cross the street into the parking lot of the Fairfield Inn. You should see a flight of stairs that lead into the back of the Palisades Complex parking lot. Cross the lot to the tall building ahead of you (#5909) and enter through the glass doors. **Please Note:** There are no sidewalks for a small part of this trip
